

Changes in Maungaharuru-Tangitū Trust

There have been many changes within Maungaharuru-Tangitū Trust (MTT) recently, as we embrace being in post-settlement phase. This pānui welcomes new staff members and acknowledges the transition of other key staff and our previous Chairperson. There is a new Chairperson, and we have also have moved into a new office.

Ngā Mihi Aroha (Heartfelt Thanks)

As mentioned in previous pānui, Uncle Bevan Taylor has resigned as Trustee of the Maungaharuru-Tāngitū Trust. Uncle Bevan was Chairperson for decades and led our Hapū through the Treaty Settlement process.

Whakiao Hopmans (aka Aunty Daise) will no longer be working as Registration Officer. Aunty Daise has worked very hard for our Hapū over many years.

Kelly May has been working as a contractor for MTT. She is now taking time out to care for her pēpi. We wish her and her young whānau well.

We can't express our gratitude enough here so will thank them more appropriately and with greater mana at the next Hui-ā-Hapū (3 October 2015).
